Gentlemen:-

We have your favor of the 17th inst. and note you have about 100,000 Italian Coins like samples sent us, which you offer us at 3/4-cent each.

What we want particularly, is, a general assortment of Culls or Dumps, regardless of condition of date values, and can use any quantity if assortment is good, up to 1/2 million provided price is right. Would be glad to get even a few hundred of good Culls, which would really be preferable to the nice condition of samples you sent us.

We have about one hundred thousand pieces of Austrian or German coins, like sample we enclose you, and if you can use any of these, we would be very glad to exchange them with you for some of the Italian coins like samples sent us. We also have about 50,000 pieces of Hindo and a lot of Arabian or Turkish money, samples of which we are sending you, and would like very much to exchange some of these with you for anything that you have to offer. You will understand we are putting these coins in package coffees, giving our customers an opportunity to secure a collection of coins, and of course, so you see, variety and assortment is more desirable than intrinsic value or date values. We have about 2,000 large American copper , good condition, and will make you a proposition to buy 2,000 Italian coins of the "20centesimi" denomination at 75-cents per hundred, paying you for them with these large American Copper Coins at par value, and would be pleased to hear from you at once.

TRADE MARK

DICTATED BY R.H.E.

Richmond, Va. Sept. 21st 1901.

Messrs. H. H. & H. Chapman,

Philadelphia, Penn.

Gentlemen:-

Your letter of Sept. 20th at hand and noted. We would like to have some of the Italian Coins like samples you sent us in the first instance, and could use both sizes. So instead of making you a price on Hindo Coins, or the large American copper cents we have, will make you this proposition: Will exchange with you two, three or four thousand pieces of the Hindo money like sample sent you, for an equal number of the Italian Coins. Or, will buy from you two or three thousand Italian Coins at 50-cents per hundred, paying you for same with large American copper coins at their face value, 1-cent each, which of course would be equivalent to paying in any other coin of American money. The Hindo Coins all vary slightly in thickness and size. We could give you about 1/2 of each, round and square ones.

Sorry we did not reach you before you sold the junk material, as that is really what we can use to the best advantage. We will take the matter of Medals with you a little later, when our Chief returns from his vacation.
